

Orange – Romanian: Mov

Game developed by TEAM 3 during the international training course „Youth development through playing activities” ,
Măguri-Răcătau, Cluj County, 29.09.-06.10.13

- Time: 15 min.
Recommended age: from 6
Size of group: Between 10 and 18
Time for preparation: none
Material: ball of yarn
Purpose: Inclusion game. Participants should get to know each other a bit better, and get used to names and voices.
Can be used in first days of training or in first activities with children teams to help people get to know their names better and also recognize voices.
- Place/Location: Everywhere (in- or outdoor)
- Description: Make two even groups that stay each in a line faced back one line from another. On turns one person from a team is the speaker, and one from the other team the listener. The speaker has to say loud the word ORANGE/ (Romanian: mov). And the listener to guess who was the speaker in the other team. If he guesses the speaker must join his team, if not the speaker remains in it's original team.
After a round roles change and the group that had a speaker will have now a listener, and the other way around.
The game ends when one team is left with only 3 or 5 members, according to the initial number.
