<b>Day 3 - 02.09.2015</b>					
BEFORE NOON	Preparation of the final event, discussion on the Antiquity Games Festival to finish the project. The final event will be open to public to share the knowledge we will gain during the whole project. During the morning session we hope to create working groups responsible for particular aspect of the Festival. We would like to create an outline of promotional campaign for the Festival - posters, leaflets etc.				
IN THE AFTERNOON	Sharing experience - reenactment festivals in your countries.  A historical and cultural presentation - Italy. Presentation of national cuisine, games, plays, customs and traditions. It's up to you in what way you are going to present your country but traditional food and drinks sampling will be welcome.				
<b>Day 4 - 03.09.2015</b>					
BEFORE NOON	Each of the participating groups is expected to present 1 to 3 traditional games, popular in yopur country. The rules and the tools that are needed to play it. Creating a rules of the gasme cards for potential players. It would be great if you inform us beforehand what games you would like to present and send us the games' rules. We would be able to print it to				

IN THE AFTERNOON	Preparing the area for the competition and the equipment. Mock competition to check how the games work in practice. Appointing judges/referees for the competition. Apart from traditional Polish games, we will also play Kubb - a Swedish medieval game.
	A historical and cultural presentation - Wales. Presentation of national cuisine, games, plays, customs and traditions. It's up to you in what way you are going to present your country but traditional food and drinks sampling will be welcome.
<i>Day 5 - 04.09.2015</i>	
BEFORE NOON	Presentation of the effects of the group work from the day 3, and shaping the final event. Group work to prepare the spot for the festival, putting up a historical campsite, using the materials provided by us (tents and other camp equipment)
IN THE AFTERNOON	Promotional action based on the marketing group's day 3 work results. We plan to make a historical parade in the town, so your historical costumes will be needed. Other marketing methods that will come out from day 3 meeting will be used as well. (posters, leaflets, whatever you come up with)
	A historical and cultural presentation - Ukraine. Presentation of national cuisine, games, plays, customs and traditions. It's up to you in what way you are going to present your country but traditional food and drinks sampling will be welcome.
